

AI Based Personalized Skill Growth Platform

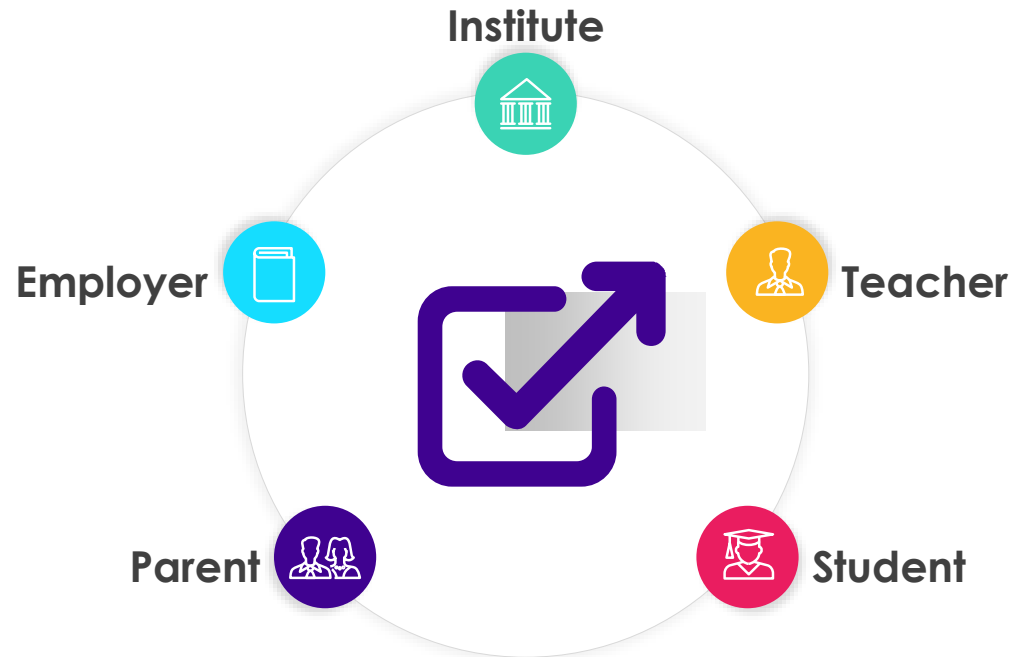

<http://www.mypertice.com/>

“If you can’t measure it, you can’t improve it.”

Perfectice Introduction & Vision

Perfectice is an online **Learning & Employability Platform** to transform the way students learn, assess and prepare for employability and higher education.

The platform provides **DATA & INSIGHT** to students for better decision making – bring fundamental behavioral changes, build a strategy, and an action plan.

Our vision is to help people use **DATA** and **Analytics** for their learning and skill development

Complete Employability Solution
